---

E-News: No 4

*To all Members & Associates of the Society*

7th October 2008

It occurs to the Board that the time for the start of the AGM of 10.30 a.m. is unnecessarily early and will cause a problem for members who need to travel some distance. We have deliberately chosen a location which is close the junction of the M4 and M25 to make access by road easy but we appreciate that some members will wish to travel by train. The nearest railway station is West Drayton which is only 20 minutes from Paddington and the hotel is just a mile from the station.

Please let me know by return if you would be unable to attend the AGM if the time were to be set back to 11.30 a.m. rather than 10.30 a.m. If we receive no adverse replies within 48 hours we will confirm the revised time by the end of the week.

If you have already indicated that you would not be able to attend and have returned an appointment of proxy form then obviously we can destroy the form if you do wish to attend.
