

MEMBER'S DECLARATION

I CERTIFY that the information in this application is correct and that I meet the relevant criteria for membership of the Society.

In consideration of my being admitted as a member of the Society, and as a condition of membership I UNDERTAKE as follows:

- a) To comply with the Society's constitution and such rules and decisions as may be made by the Society's Board of Management.
- b) Not to permit any other person (whether not a Society member) to use or receive membership benefits intended for me or for clients for whom I personally act.
- c) If I take advantage of the credit arrangements offered for payment of the annual subscription by instalments, once such arrangements have been effected I will not amend or countermand them during the subscription year to which they relate.
- d) To respect and observe the Society's copyright or other lawful rights in stationery, documents, software and material published or supplied by the Society and not to reproduce any part of the same without the Society's licence or other prior written consent from the Society.
- e) Upon ceasing to be a member:
 - (i) I shall forthwith cease to use and, if so requested, return to the Society any of its property, or stationery or products that are restricted to use only by members.
 - (ii) I shall forthwith refrain from the use on practice stationery, in advertisements or otherwise, of the Society's post-nominal letters with my name, the use of Society badges or other means of indicating or implying Society membership, or in any way hold out as a member of the Society.
 - (iii) I will not permit others to hold me out as a Society member, and
 - (iv) I acknowledge that if it is established, at any date after three months of my ceasing to be a member, that I am, in any way indicating that I am a Society member then, (and without prejudice to any other claims or remedies the Society may have) upon the Society providing me with reasonable evidence to this effect, I will be liable to pay the Society a sum, calculated at the subscription rate I last paid for the period from the date my membership ceased until the date the Society receives from me acceptable evidence that I have ceased the practice considered to be holding out, together with any costs incurred.

I ACKNOWLEDGE AND AGREE that the above is a professional undertaking on my part and a contractual commitment to the Society.

I AGREE to notify in writing the Society's Administrative Secretary of any material change in the information in this application within 14 days of such change. In particular, I will advise of any change of my address or in my eligibility for the class of membership for which I now apply and will pay the Society any additional subscriptions arising from a change in membership class with effect from the date of that change.
